

FloodAid Privacy Policy

Last Updated: May 12, 2024

This privacy policy applies to the FloodAid app (hereby referred to as "Application") for mobile devices that was created by Burect Inc. (hereby referred to as "Service Provider") This Privacy Policy outlines how Burect Inc. collects, uses, and protects the information provided by users of the FloodAid app.

Information Collection and Use

The Application collects and utilizes only the necessary information required to provide its services effectively. The app collects user location data to provide real-time flood alerts and relevant information.

The location data collected by the Application is used solely for the purpose of delivering flood alerts and providing users with relevant information about flood conditions in their area. The Service Provider does not sell, rent, or share this information with third parties for marketing or advertising purposes.

Third Party Access

The Application utilizes Google Maps services to display flood information and provide users with interactive maps.

The Service Provider may share your information with third parties in the ways that are described in this privacy statement.

Please note that the Application utilizes third-party services that have their own Privacy Policy about handling data. Below are the links to the Privacy Policy of the third-party service providers used by the Application:

- [Google Services](#)

The Service Provider may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when they believe in good faith that disclosure is necessary to protect their rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with their trusted services providers who work on their behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.

Opt-Out Rights

You can stop all collection of information by the Application easily by uninstalling it. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.

Data Retention Policy

The Service Provider will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. If you'd like us to delete User Provided Data that you have provided via the Application, please contact us at info@burect.com and we will respond in a reasonable time.

Children

The Service Provider does not use the Application to knowingly solicit data from or market to children under the age of 13.

The Application does not address anyone under the age of 13. The Service Provider does not knowingly collect personally identifiable information from children under 13 years of age. In the case the Service Provider discover that a child under 13 has provided personal information, the Service Provider will immediately delete this from their servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact the Service Provider (info@burect.com) so that we will be able to take the necessary actions.

Security

The Service Provider is concerned about safeguarding the confidentiality of your information. The Service Provider provides physical, electronic, and procedural safeguards to protect information the Service Provider processes and maintains.

Changes

This Privacy Policy may be updated from time to time for any reason. The Service Provider will notify you of any changes to the Privacy Policy by updating this page with the new Privacy Policy. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Your Consent

By using the Application, you are consenting to the processing of your information as set forth in this Privacy Policy now and as amended by us.

Contact Us

If you have any questions regarding privacy while using the Application, or have questions about the practices, please contact the Service Provider via email at info@burect.com
